Superheroes Camp is guaranteed to spark ingenuity and provide exciting escapades!

Monday: Spidey Camp– Calling all friendly neighborhood heroes to Airborne for a camp full of thrilling feats and daring escapes! Green Goblin and Doc Ock have infested the gym and we need our Spidey campers to help defeat the villains by working together, solving clues, and of course swinging and climbing their way to victory! There's a hero in all of us, so bring your spidey sense and join the fun!

Tuesday: Super POWers! Super strength like the Hulk! Scaling tall buildings like Spiderman! There are too many powers to choose from! Today we will explore different unique superhero powers - even x-ray vision! Fly around the gym, become stronger than Captain America, and try to be invisible and unseen by the villains!

Wednesday: Vanquish the Villians – We will be extra brave today as we face our archenemies – Loki, Green Goblin and even Dr. Doom. Campers will get the opportunity to be both the superhero and the villain in a battle to keep the precious jewels safe. Villains beware, we superheroes are here to stay!

Thursday: Incredibles – Everyone has amazing talents – come to Airborne to develop your incredible super powers! Campers will run as fast as Dash and try to become invisible like Violet and some may have as many powers as Jack-Jack! But, we must work together to defeat the Screen-Slavers before they take over planet Airborne! Come join an incredible day.

Friday: Guardians of the Galaxy - Not all superheroes wear capes or have life sabers, some look like trees (GROOT!!) and love Rock & Roll! Embrace your wild side and do your superhero thing with great friends, great music, and a mission to keep the precious cargo away from Thanos.
