

## Airborne Dance Winter Showcase Information

*@ Longmont High School*  
*1040 Sunset St, Longmont, CO 80501*

We are so excited to celebrate the holidays with our Airborne community! On this form you will find full information on dress rehearsal, show day and other important things to know. Please read through carefully and let us know if you have questions.

**Costumes:** Teachers will be going over costume details, including items needed from home, and having students try on costumes in class over the next few weeks. Costumes will be sent home to families starting on November 27th. We will also be sending home a costume checklist with your costume. This will let you know what will be provided by Airborne, what dancers will need to provide from home, as well as hair and shoe requirements. *Please note: Some costumes will have longer shipment times than others. Once your costume arrives, we will send it home in class. Any costumes that go home after the week of Nov. 27th will also have an email notification.* **Please do not wear your costume at home until after your performance.**

**Make-up and Hair:** Our show will be in a theater, which means dancers should plan to wear stage make-up. This includes eye shadow, mascara, blush and lipstick. Hair styles will be individual to the class and sent home with costume details.

### **Dress Rehearsal Week:**

In class the week of **Saturday, December 9th - Friday, December 15th**

Dress rehearsal is an opportunity for your dancer to practice their dance in costume and makeup prior to the show. Winter Showcase dress rehearsal will happen in your regular weekly class from **Saturday, December 9th through Friday, December 15th**. Dancers should plan to arrive to class in costume with make-up (giving a chance for parents to practice!). Parents of younger students should plan to stay for the first 15 minutes of class. We will use this time to run through their dance in costume, review show information and answer any questions you may have leading up to show day! Please be prepared for your dancer to change out of their costume for the rest of class.

### **Show Day!** **December 16th**

**Check In Before Show:** On show day, families should plan to arrive at the backstage door at the main entrance of Longmont High School. Dancers will go with an Airborne staff member to the dressing rooms. Please send your dancer in their costume, with hair and make-up done. Your dancer will change out of their street shoes and into their dance shoes before coming backstage. They should not bring anything back to the dressing room with them. Dancers will stay in the dressing room until their time to perform.

### **What do the dancers do backstage?**

- We will have staff in charge of the younger students backstage; staff will help students get ready for their performance(s).
- We will have all the essentials backstage: from hairspray and bobby pins to band-aids and entertainment. Dancers need nothing besides themselves backstage.
- Younger dancers will be provided with activities to keep them entertained while they are waiting for their dance.
- We don't have a lot of room for personal items. Only dancers in multiple dances may have items backstage.
- NO FOOD or DRINK besides water is allowed backstage. We have costumes that need to stay clean. We also have children with allergies and we need to keep them safe.
- Please make sure your dancer eats lunch and/or a snack as needed before they arrive for their performances.

**DancingBees, Dancenastics and Mini Dance Classes:** Our youngest dancers will wait backstage until it is time for their dance and then join their families in the audience once their performance is done. Please make sure to save a seat for your dancer to join you. Our backstage area will be fully staffed at all times and we will have activities to do for dancers backstage (including coloring sheets and quiet games) to keep them busy. For the safety of all our dancers, we do keep our dressing rooms closed to parents, however, if you have a young dancer and are concerned about them being backstage, please contact us at [dance@airbornecolorado.com](mailto:dance@airbornecolorado.com) and we can set up a plan accordingly.

**Check Out After Show:** Once our DancingBees, Dancenastics and Mini Dance classes are done they will be able to join their families in the audience to watch the rest of the show. Dance Fundamentals, Junior and Teen students will remain backstage until the end of the show, where they will participate in a group bow. Afterwards, dancers will be excused to find their families from the stage. Dancers in multiple dances will be able to return backstage to gather their costumes at the end of the show.

**In Between Shows:** If your dancer is in more than one show, you will have a short break in between. We estimate this break to be about a half hour to an hour. **We will ask academy students to leave the building between shows and return at their next call time.** This is a great chance to grab a quick snack or visit with friends and family!

**Admissions:** Each dancer will receive 2 complimentary tickets per family. If your dancer is in more than one show, you will receive 2 tickets per show. Additional tickets will be \$5.00. They will be available for purchase at Airborne leading up to the show and at the door upon arrival on December 16th. Tickets will be CASH ONLY at the door.

### **\*\*\*\*\*PLEASE REMEMBER \*\*\*\*\***

Attendance is important! The more your dancer is present in class the more confident they will feel on stage. Part of committing to our performances is also committing to attending class. Please make every effort to be in your class each day, on time, and prepared to dance. When everyone is in class, on time, class time is better spent. Performances go much smoother when all dancers are present in class to practice.

## **December 16th: Show Times and Order**

Below is a breakdown of our shows and when each class will be performing on **December 16th**.

**PLEASE NOTE:** There may be small changes to the below show order. Any updates will be sent out ASAP if needed.

What is a **call time?** Your call time refers to the time dancers are expected to arrive in FULL costume with hair and make-up done. We set advanced call times so that dancers can warm-up, get accustomed to the space and meet with their teacher before they dance.

Please read the lists below carefully to find out which show your dancer is performing in

### **Show #1:**

- Show starts at 1:00 PM
- Call time for Academy students: 12:30 AM
- Call time for Company students: 11:30 AM
