

Harry Potter

Camp Spotlight

June 10-14, 2024

1:00-4:30 PM

\$57 per camp

Make it a full day by adding a morning camp!

The wizarding world of Harry Potter is a magical place and a highlight camp every year! The week starts by boarding the Hogwarts Express; the sorting hat will put you in a new house every day! There are so many games to play and so much to explore - your young wizard will be creative, active, and excited all week.

Monday: Heading to Hogwarts – Welcome to the wonderful world of Harry Potter! Campers will receive their official acceptance letters to Hogwarts, complete with a list of all the materials they will need to be successful at their new school. Wands and spell books are a must, but where will we get these items? Each camper will make their very own wand and spell book.

Tuesday: Magical Studies – Today we will study Herbology and explore the beauty behind different plants and herbs. We will study flowers and their “magical” properties - either for good like medicines - or for dark purposes like poisons. Proper identification is important! Plants both normal and magical are amazing wonders. We will also perform a spell on a plant to change the color of its petals, and learn a special magic trick! This is a day filled with hands-on activities that are both educational and fun!

Wednesday: Potions – Campers will begin by making their very own cauldron to help us brew up some potions. Say spells, mix ingredients, and watch the magic unfold! We will also spend some extra time practicing our Quidditch and flying skills!

Thursday: Fantastic Beasts – Magical creatures truly are fascinating. We will learn about some very unique magical creatures today and how to care for them. Then, campers will use their imaginations to create a magical creature they can call their own. Campers will decide everything from what it looks like to where it lives and sleeps, what it eats and what magical powers it has. We will also be exploring transfiguration as we try to transform an egg into something new!

Friday: Magical Games & Flying – After a week of hard work with our studies and Quidditch practice, it is time for a day of magical games! On the day’s itinerary ~ of course a Quidditch match, an exhilarating game of “Escape the Giant Spider”, and a race with flying cars! Our campers will not only work on their own flying skills, but train their owls to fly as well!
