

Movie Week #1

June 17-21, 2024

1:00-4:30 PM, \$57 per day

Everyone loves to watch a great movie, but it's time to get off the couch and get to playing – exercising both your body and your mind. We will be living the magic made in different movies all week – pick your favorite or embrace the movie marathon!

Make it a full day by adding a morning camp!

Monday: Despicable Me – Gru and his band of minions are coming to Airborne! The Minions are small yellow henchmen who speak incomprehensible gibberish, and they have one adventure after another! Be ready to join the gang and complete missions to steal the moon, make spy gear, and break into the bank without setting off the laser alarm! An adventurous and silly camp that is fun for everyone – whether you are a minion, criminal, or regular kid. Come join the fun!

Tuesday: Encanto – It's time to experience the Encanto of Airborne! Students will explore various gifts as we tackle challenges, build our strength, and focus on teamwork and harmony. Each rotation will represent an Encanto themed casita filled with unique obstacles and challenges. Put your imaginations to work and come play Encanto with La Familia Airborne.

Wednesday: Jurassic Park – Welcome to Jurassic Park, where imagination and the age of dinosaurs meet! Swing across canyons and crash over the giant T-rex, then go on an expedition to search for the elusive pterodactyl. We will need to hide in caves to avoid the dangerous velociraptors, and of course we'll study fossils! Come join the adventure, if you dare!

Thursday: Trolls – Woo-hoo!! Get super excited and pumped and ready and energized! Because Trolls camp is here! Of course there will be music and singing and crafts and friends and challenges and adventures. Be a Poppy out in front, or a Branch hanging in the crowd. Everyone is welcome for FUN at Troll Camp!

Friday: Charlie & the Chocolate Factory - Who will win the golden ticket?! Join us for a delicious quest full of delights! Use your imagination to transform the gym to the famous chocolate factory! Follow the candy cane trail - but careful not to fall into the chocolate river. Bounce across gumdrops to the cotton candy islands! A sweet time will be had by all!
