Camp Spotlight

Make it a full day by adding a morning camp!

Everyone loves to watch a great movie, but it's time to get off the couch and get to playing – exercising both your body and your mind. We will be living the magic made in different movies all week – pick your favorite or embrace the movie marathon!

Monday: Inside Out – Have you ever felt angry & wanted to destroy a tower?! Let's do it! Have you ever felt afraid and wanted to hide?! Let's do it! Have you ever felt joy and wanted to play and play? Let's do that too! A day full of games and friends and FUN!

Tuesday: Jumanji – A day of adventure revolving around a mysterious game that unleashes a terrifying jungle world upon its players! Beware the gigantic spiders lounging around the parachute and the quicksand in the foam pit... Are you ready to enter the wild world of Jumanji? Let the game commence!

Wednesday: Toy Story – Calling all space toys and future galaxy travelers, we must head "To infinity and Beyond!" Race on the moon with bouncy steps and little gravity, and save the little duckies from the black holes before it's too late. And of course we can't forget our favorite western heroes - Woody & Jessie! Kick your horsey into gear and be ready for a fantastically wonderful time!

Thursday: Kung Fu Panda – Join the furious 5 and begin your training to become a Dragon warrior! Learn to be stealthy like Tigress and as strong as Po. Have fun balancing noodles and increasing your inner awesomness! Watch out for the shape-shifting Chameleon - she's out to get us all!

Friday: Cloudy with a Chance of Meatballs – Flint Lockwood invents a machine that drops food from the sky! Imagine a mountain of Jello and Strawberry best friend! This is a day full of inventing, building, and silliness!
