Name: _____

Airborne 2026 Winter Whimsy Show Information

Our Airborne Dance students are learning their Winter Whimsy choreography and we can't wait to share with you! Please read through the following information to feel prepared and ready for our show.

Show Day: Sunday, December 13th @ Longmont High School
(1040 Sunset St, Longmont, CO 80501)

Show #1 @ 1:00pm - Company Choreography
Show #2 @ 3:00pm (dancer arrival time 2:30pm)
Show #3 @ 5:30pm (dancer arrival time 5:00pm)

Dress Rehearsal Week:

Dress Rehearsal will take place during your dancer's **regular weekly class time** between **Monday, December 7th through Saturday, December 12th.** This is an important chance for students to practice in costume and makeup before show day.

We will use the **last 15-20 minutes of class** to put on our costumes and practice performing our dance for our parents and grown-ups! Please make sure your dancer has a grown-up present during this portion to help them get dressed, support them as a practice audience member in class, and get any final information from your teacher.

Costumes: Classes will be trying on costumes for sizing in the next few weeks of class. We will be sending costumes home mid-November. As a reminder, we keep our costumes simple for our winter show and will be asking families to provide some items from home to complete the entire onstage look, including proper tights and shoes.

Make-up and Hair: Our show will be in a theater, which means dancers should plan to wear stage make-up. This includes eye shadow, mascara, blush, and lipstick. Hair styles will be individual to the class and sent home with costume details.

A Quick Reminder: Attendance is Key!

Consistent attendance is important for building your dancer's confidence and a cohesive group of dancers on stage. The more practice your dancer gets in class, the more prepared and confident everyone will feel on stage! We ask for your continued partnership in making every effort to be on time and ready to dance each class.

We can't wait to see your dancer shine on the **Winter Whimsy** stage!

Class	Show #	Arrival Time	Teacher

Important Show Day Information:

Check In Before Show:

"Call Time" refers to the time dancers are expected to be at the performance venue in full costume with hair and make-up done. Dancers will enter from the main parking lot on the south side of Longmont High into the designated door - there will be an Airborne sign along with Mr. Blue (the inflatable guy) to point families to the backstage door. Dancers will check-in with an Airborne staff member and then head into their assigned Green Room space.

- The only items dancers need with them backstage are their dance costume(s) and dance shoes. Please do not send dancers with bags, coats, shoes, jewelry, water bottles, or any other items that could get lost.
- What is a Green Room? A Green Room will be your dancers' waiting area while they are getting ready to perform. All Green Rooms are co-ed and dancers will be with their fellow classmates.

What if we have multiple dances in one show?

If you have more than one dance in your show, please bring your second costume with you, organized with any tights, shoes, and hair supplies you need. We will have backstage staff ready to help dancers organize their things and help with their costume changes.

- Please note: For all dancers' safety, we do not allow any costume changes in our Green Room that require full undressing. We will have private changing pods and bathroom spaces available that dancers will be able to use.
- We HIGHLY encourage dancers with costume changes to wear a base leotard under all their costumes. Having a tan, skin-colored or black base leotard can help costume changes go as quick and smoothly as possible. This is not required but something to consider for your student. Base leotard examples:
    - https://www.capezio.com/products/camisole-leotard-girls
    - https://us.blochworld.com/products/girls-parem-camisole-leotard-sand

What do dancers do backstage?

- We will have staff in charge of students backstage. Staff will help students warm up and prepare for their performance(s).
- We will have all the essentials backstage - from hairspray and bobby pins to band-aids, water bottles, and entertainment. Dancers need nothing besides themselves backstage. ● Younger dancers will be provided with activities to keep them entertained while they are waiting for their time to take the stage.
- NO FOOD or DRINK besides water is allowed backstage. We have costumes that need to stay clean and children with allergies who we need to keep safe. Please make sure your dancer eats a meal and/or a snack as needed before they arrive for their performance(s).

DancingBees, Dancenastics, and Mini Dance Classes:

Our youngest dancers will wait backstage until it is time for their dance and then join their families in the audience after our "Little" Bows. Please make sure to save a seat for your dancer to join you. Our backstage area will be fully staffed at all times, and we will have activities for dancers backstage (including coloring sheets and quiet games) to keep them busy. For the safety of all our dancers, we do keep our dressing rooms closed to parents. However, if you have a young dancer and are concerned about them being backstage, please contact us at dance@airbornecolorado.com and we can set up a plan accordingly.

How do we pick up our dancer after the show?

After the show, dancers will be picked up directly from the stage. Please make sure to say goodbye to your teacher on the way out so we see all dancers go with their families. Dancers in multiple dances will be able to retrieve their extra costumes after the show.

Audience Members

Each dancer receives two complimentary tickets. Additional tickets are $10 each and will be available to purchase at Airborne starting November 30th. Tickets will be available to purchase at the door the day of the show for $10.00, cash only.

Show Times and Order

Below is a breakdown of our shows and when each class will be performing. Please read the lists below carefully to find out which show your dancer is performing in. **PLEASE NOTE:** There may be small changes to the show order below. Any updates will be sent ASAP if needed.

What is a call time? Your call time refers to the time dancers are expected to arrive in FULL costume with hair and make-up done. We set advanced call times so that dancers can warm up, get accustomed to the space, and meet with their teacher before they dance.

Please double check your student's name as it appears on the lists below. How it is written on this document is how it will appear in the program. If you notice any misspellings or there is a nickname or abbreviation your student prefers, please email dance@airbornecolorado.com. Thank you!

Want a sneak peek of our competitive dances for the 2026-2027 season?! Come watch our Company Choreography Showcase! This show will be the first time our competitive dancers will perform these pieces on stage and we're excited to share them with you! No admission required.
